BECOME A SPONSOR!

VCARD's 4-Person Scramble tournament is great for golfers of all skill-levels while helping raise money for a worthy cause. Sponsors benefit from intimate networking opportunities afforded by a day spent on the green. It also allows sponsors to promote their brand to land development professionals throughout the area. This year we expect a full course of 144 golfers.

ABOUT VCARD

The Volusia County Association for Responsible Development (VCARD) is a not-for-profit dedicated to affecting positive outcomes for the development in our community, and includes a Flagler County Chapter. Our mission is to be a forum for collaboration between the public and private sectors in all aspects of land development. This year, VCARD will donate a portion of proceeds to the Daytona State College Institute for Marine and Environmental Studies to provide scholarships.

ABOUT THE COURSE

LPGA International has been the home of the LPGA Tour and is the premier Daytona Beach Golf Course. The signature Jones Course is a favorite of tour players. It is a traditional links-style 7,088 yard design. With strategic mounding, numerous expanses of sand bunkers, natural marsh areas, beautiful lakes and undulating greens.

While extremely playable for all skill levels, the ingenious and inventive player is rewarded with multiple options on nearly every shot.

SPONSORSHIPS

Save on registration and maximize your reach through our sponsorships. These sponsors are the *only* companies that will be included in all marketing materials and will receive acknowledgements at the event. This is the best way to maximize your company's visibility.
